

News : KAHS Executives visited Jumla

A team of KAHS executives including Dr Paras Kumar Acharya, Vice-Chancellor, Dr Nilambar Jha, Rector and Mr Shyam Lamsal, Registrar, visited Jumla from 15th kartik, 2069 to 23rd Kartik 2069. Various activities, vital towards establishing the academy at root level, were carried out during the visit:

- 1. Establishment of continuous hospital services through permanent six doctors at the existing Karnali Zonal hospital, further named as "Karnali Academy of Health Sciences, teaching hospital". This activity was widely covered by various national and local medias.**
- 2. Takeover of the newly constructed hospital building in the presence of the representatives of government offices, political parties, civil society and journalists.**
- 3. Site visit to the various locations surrounding Jumla valley for the selection of probable site for construction of academic and residential buildings.**
- 4. Establishment of KAHS central office at Jumla.**
- 5. Initial homework for starting certificate nursing programme under KAHS.**
- 6. Administrative set-up of the KAHS teaching hospital.**

Dr paras Kumar Acharya, Vice-Chancellor, expressed extreme satisfaction on the wide cooperation of the socio-political and administrative sectors of Jumla, as well as towards the rapid progress towards activities in establishing the academy at the backward area of Nepal.
