

MOU signed with National Academy of Medical Sciences (NAMS)

On 3rd June, 2013, Dr Paras Kumar Acharya, vice- chancellor, KAHS, and Dr. Damodar Pokharel, vice-chancellor, NAMS, signed MOU at a programme in Kathmandu. Both the institutions agreed for PG training of KAHS candidates at NAMS, Collaborative research in backward region and faculty exchange.

During the programme, Dr Pokharel, vice-chancellor, NAMS, expressed that "NAMS has a vision to reach the unreached and go to the region that can't come to us". He further said " NAMS will be please to extend its support KAHS in various sectors and the needy people of backward region".

Dr Acharya, Vice-Chancellor, KAHS, expressed that "the service establishment of KAHS has brought radical changes in the health care of Jumla and with its plan to extend service in all the nine backward districts, it is believed that the Academy will contribute in the health care as well as socio-economic development of the backward region in long run." He further expressed that" NAMS, as the leading institution, may establish itself as significant partner of KAHS for making changes in the backward region."

Dr Nilambar Jha, Rector, KAHS, Mr Shyam Lamsal, Registrar, KAHS, Dr Buland Thapa, Director, Bir Hospital and Dr S. C. Chaudhary, Dean, NAMS were present in the programme.
