

Foundation Stone Laying Ceremony of 300 Bedded
KAHS Teaching Hospital

Hon'ble Minister for health and population and the pro-chancellor of Karnali academy of health sciences, Jumla, Mr Khagaraj Adhikary, laid the foundation stone of 300 bedded KAHS teaching hospital on 27th June 2015, at the construction site in Jumla. Dignitaries including; former minister and KAHS senate member, Ms Satya Pahadi, elected MP of Jumla Mr LalitJung Shahi, KAHS senator and MP from Jumla Mr Balbahadur Mahat and MP from Jumla Ms Goma Kuwar, former MP and KAHS senate member Mr Naresh Bhandary and the President of Nepal Health Research Council Dr Krishna Adhikary, accompanied the Hon'ble minister from Kathmandu to Jumla in order to attend the ceremony. Majority of the leaders from various political parties and a large number of people from Jumla were present in the ceremony.

Prof. Dr Dharma Raj Shrestha, Rector, welcomed the dignitaries and other guests.

Hon'ble minister expressed the deep concern of the government of Nepal regarding the development of backward region and assumed that the ministry is committed to help Karnali Academy of Health Sciences in providing resources. He expressed that Jumla is the historical place in terms of Nepalese civilization and appealed for the development of this region to be the first priority of all the political parties.

Dr. Paras Kumar Acharya, Vice -chancellor, appreciated those all who contributed for the success in establishing KAHS and all those who contributed in execution of the phase-I master plan as 300 bedded teaching hospital.

The programme was chaired by the vice-chancellor, KAHS, Dr Paras Kumar Acharya and hosted by the registrar, KAHS, Mr shyam lamsal. Dr Paras Kumar Acharya, vice-chancellor, closed the session thanking all the dignitaries and the people who were present in the ceremony despite their busy schedule.
